Dear Newmarket Neighbor,

Do you need assistance this holiday season?

In collaboration with community partners, Lamprey Health Care's Holiday Assistance Program provides assistance to Newmarket families in need. This year, we will provide each family with a gift card that can be used to purchase gift items for enrolled children.

Am I eligible?

You must be a resident of Newmarket and meet certain income guidelines. Individual circumstances will be considered.

How do I apply?

To request an application, call 603-659-3106 extension 7237 or visit our website at www.lampreyhealth.org to download/print.

Next, complete the application and return it either by mail or by dropping it off at the main entrance to the Newmarket medical building in our document dropbox.

Applications are due no later than November 28, 2022.

Then what?

Once your application is received, our staff will contact you to notify you that we have reviewed your application for the program. If approved, we will provide the date and time for pick up once your application has been processed. If you don't qualify, we will do our best to connect you with other resources to meet your needs.

We wish you a happy, healthy holiday.
